{loadmoduleid 394} This delightful and immaculate south-facing quad bungalow with solarium has off-road parking and plenty of storage space too. The conservatory adds extra living space, and as you can see from the photographs and virtual tour, this is a property that has been extremely well cared-for. The communal swimming pool is close by, as is the superb La Zenia Boulevard shopping centre - one of the very best shopping and eating experiences in the whole of the Costa Blanca! Of course it's not far to walk or drive to lots of great beaches that this area is famous for. The property comprises driveway, conservatory, front garden with established tropical plants (even a very generous papaya tree!), lounge, 2 double/twin bedrooms, bathroom, separate kitchen and utility area. An external staircase leads to the solarium with 2 storage areas and a small workshop. If you are looking for a beautiful home in a great area, in superb condition, call us today and don't miss out on this opportunity! {loadmoduleid 398}
